It is hard to believe that the school year is about to come to an end! We hope that your preschooler has enjoyed his/her time with us as much as we have enjoyed teaching, playing with and watching each one blossom and grow. The entire staff appreciates the many ways in which you have shown your support for our program this year, and thank you for giving us the privilege of partnering with you as we lay a foundation upon which your child's future learning can be built!
